Parent Witness Statement

It is with full awareness of my responsibility as a Catholic parent that I enroll my child (children) in the St. Paul Parish School of Religion. I accept the responsibility of being the primary religious educator for my child (children).

I also understand that the values, doctrine, and precepts of the Catholic Church must be modeled and practiced by me in order to take root in the hearts of my children.

This means I must:

- participate, along with my children, in Mass on Sundays and Holy Days of Obligation and in the Sacraments;
- speak to my children often at home about God and the Catholic faith;
- participate and cooperate with the St. Paul Parish School of Religion in the religious education of my children, especially in their sacramental preparation;
- support the moral teaching of the Catholic Church in word and deed; and
- do my share in financially supporting the Parish.
